Section 21 – Other Authorized Equipment

Overview

This section was created in the current edition to improve the alignment of the SEL with the DHS Authorized Equipment List (AEL). Even though it is entitled “Other Authorized Equipment”, this section is in fact used by the AEL for items such as consulting services, shipping charges, and sales tax that do not fit in any of the normal equipment categories. Since maintenance packages/contracts are also not “equipment” per se, the Personal Protective and Operational Equipment (PP&OE) SubGroup chose to move the maintenance item from the Operational Equipment section into Section 21. That is currently the only SEL item in this section.

Changes for 2007

The following item has been moved from Section 3 to this section:

- Maintenance
